

Good Sense Aerosols

Aerosol air fresheners and odour neutralisers

Description

Good Sense aerosol sprays have been developed to solve the day to day odour problems in a building. Through instant action, they have been tested to meet the highest air control expectations of all commercial, industrial and institutional users. Easy, convenient and safe to use, Good Sense aerosol sprays are the ideal solution to effectively solve odour problems in areas such as public areas, bars, hotel bedrooms, restaurants, offices, washrooms, etc.

Key properties

- Ready to use in professional packaging
- Fast acting and long lasting freshness
- Effective against a wide variety of odours (tobacco, food, urine etc.)
- Give any room an instant lift with a quick burst of fragrance
- Unique, patented Odour Neutralizing Technology (O.N.T.)

Benefits

- Effectively eliminates rather than masks odours
- Can be applied as part of normal cleaning routine
- Ideal solution to effectively solve odour problems in areas such as public areas, bars, hotel bedrooms, restaurants, offices, washrooms, or any environment with unpleasant odours
- Leaves a pleasant, fresh fragrance
- The O.N.T. technology destroys malodour molecules and therefore enhances the fresh fragrance.

Use instructions

Shake well before use. Spray upwards towards the centre of the room.

Dosage:

Spray application: ready to use (100%)
