

# Sonril conc

# 40A1

## Bleach - high temp - oxygen

### Description

Clax Sonril conc is a concentrated oxygen bleach suitable for bleaching whites and colourfast articles.

### Key properties

Clax Sonril conc is concentrated oxygen based bleach which should be applied at high temperatures, and can be used on colourfast linen. The product shows excellent residual stain removal during the washing process and is compatible with most main wash detergents. Also there is no need for an antichlor after the bleach step to neutralize the bleach.

### Benefits

- Excellent stain removal
- Oxygen based bleach
- Can be used on colourfast articles
- No need for an antichlor

### Use instructions

Dosage recommendation in ml/kg dry goods: 1 - 4

The bleach should be applied in the main wash at a temperature of at least 70 °C

### Technical data

Appearance: Clear, colourless liquid

pH (neat): 2.3
