TASKI® Americo Remover Pad

Burnishing pad

The TASKI Americo Floor Pads – manufactured by Americo – provide long-lasting performance for scrubbing, stripping, buffing, cleaning and spray cleaning.

The pads are especially developed to provide consistent long-lasting performance and to assure high-quality results improving your productivity and reducing costs. They are made out of 100% recycled material, supporting customer's sustainability.

The uniform distribution of mineral abrasives throughout the pad (not just on the surface) provides outstanding performance and a long, useful life.

The individually separated and coated fibres help produce better, more consistent results.

The range of different coloured pads are designed with the right amount of aggressiveness for all types of stripping, scrubbing and cleaning.

Different colours available:

- TASKI Americo Dominator Pad
- TASKI Americo Black Pad
- TASKI Americo Brown Pad
- TASKI Americo Green Pad
- TASKI Americo Red Pad
- TASKI Americo White Pad

Key advantages:

- Superior quality
- Complete range
- Delivering best performance
- Sustainable – 100% recycled material

Benefits:

- Excellent results
- Long lasting performance
- Simplicity of implementation

TASKI® Americo Remover Pad

Use overview

The TASKI Americo Remover Pad is used to remove black marks and restore gloss in one pass. The remover pad is ideal on soft to hard floor finishes. It is recommended for use on machines up to 3000 rpm.

Use directions

The pad is used for removal of black marks.

- Place the pad under the machine pad holder
- Fill the machine tank or the spray device with cleaning solution
- Clean the floor with the well prepared machine
- Pick up dirty cleaning solution with a mop, wet vacuum cleaner or scrubber drier

Take care of the pads

- After use, remove the pads from the pad holder
- Rinse the pads under tap water and leave to dry

Description	Size	PCS/SU	Product Code
TASKI Americo Remover Pad	17"	5	7523092
TASKI Americo Remover Pad	20"	5	7523093

Safety Reminder

Please make sure that the floor pads are not used on sensitive surfaces. Do not machine wash the pad.
