TASKI® Americo Red Pad

Light duty cleaning and buffing pad

Features

The TASKI Americo Floor Pads – manufactured by Americo – provide long-lasting performance for scrubbing, stripping, buffing, cleaning and spray cleaning.

The pads are especially developed to provide consistent long-lasting performance and to assure high-quality results improving your productivity and reducing costs. They are made out of 100% recycled material, supporting customer's sustainability.

The uniform distribution of mineral abrasives throughout the pad (not just on the surface) provides outstanding performance and a long, useful life. The individually separated and coated fibres help produce better, more consistent results.

The range of different coloured pads are designed with the right amount of aggressiveness for all types of stripping, scrubbing and cleaning.
