

Oasis Pro Acid Bath

Professional Cleaning System

ACID BATHROOM CLEANER

High performing and fresh scented sanitary bathroom cleaner especially formulated to remove lime scale build up.

Performance

- High-concentrated products for high-end performance
- Hard water deposits, soap scum and other bathroom soils are quickly removed without scrubbing
- Removes 2x more limescale than leading competitor products

Efficiency

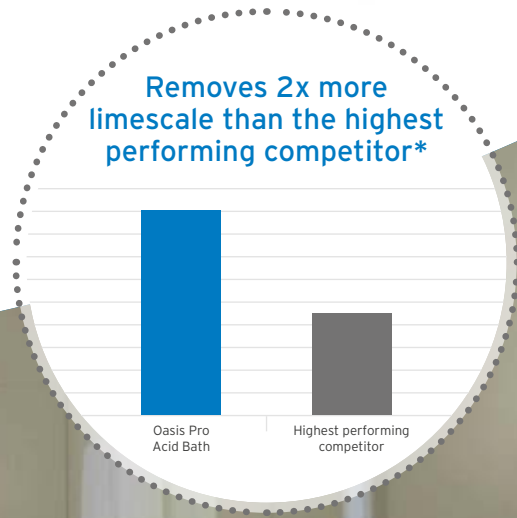

- Regularly cleaning facilitates daily maintenance cleaning
- Material friendly formulation allows use on acid resistant surfaces

Safety

- Colour-coded system to ensure the use of the right product for the right cleaning task

Sustainability

- Significant reduction of packaging waste of minimum 70% vs traditional pack sizes

*Lime removal capacity test - Ecolab Acid Bath versus leading industry competitor products, 2016

Use Instructions

1. Check hygiene plan, product label and safety information for detailed use information.
2. Wear suitable protective clothing when handling the concentrate pouch.
3. Spray **Oasis Pro Acid Bath** by using a foam sprayer directly on surface or cloth. Let work or scrub with a sponge/cloth.
4. Wipe with wet sponge/cloth.
5. Rinse surface with plenty of water.

RECOMMENDATION

Your Ecolab specialist will install and adjust the dispensing system to your hygiene requirements for optimum results.

Do not use on water and acid sensitive surfaces. Before cleaning tiles, prewet joints with water. Remove drops or splashes immediately and rinse thoroughly. Test material compatibility in a small inconspicuous area before use.

Recommended use-concentration: 3 - 8 % depending on soil level and water hardness.

Do not mix with any other product! Wear protective gloves and safety glasses when you exchange the empty pouch with a new one.

Do not mix with bleach or other chlorinated products.

SAFETY

For professional use only. For further information and safety instructions see product label and safety data sheet.

STORAGE CONDITIONS

Store between -5 °C to 40 °C in original closed container only.
