

Soft Care® Wash

H2

Mild handwash

Description

Soft Care Wash is an ultra-mild, hypoallergenic hand, hair and body washing liquid. Soft Care Wash has been specifically developed for sensitive skin. It is free of irritants, allergens and other unwanted substances. This eco-certified product is suitable for use in all areas, but especially in healthcare, leisure and food service.

Key properties

- Excellent for cleaning hands, body and hair
- Surfactant system effectively removes dirt and grease
- Ultra mild profile with moisturisers to promote safe & healthy skin
- Fulfills the criteria of the Nordic Ecolabel scheme
- Skin compatibility tested (Patch test)
- Hypoallergenic; endorsed by Nordic Asthma & Allergy Foundation
- Dye-free
- Does not contain fragrance thus eliminating the risk of tainting food
- Free from undesirable ingredients such as Cocamide DEA, parabens and phosphates
- Easy to rinse

Benefits

- Effective cleaning from top to toe: hands, body and hair
- Healthy skin even with frequent washing
- Safe for use in food service, food preparation and healthcare environments
- Proven skin compatibility and best possible safety profile for increased user acceptance

Use instructions

1. Wet hands and forearms.
2. Apply Soft Care Wash to hands and rub to create a lather, taking special care to wash between fingers and around finger tips.
3. Rinse and dry hands thoroughly.
