Cif Professional Kitchen Descaler

Removes limescale whilst brightening surfaces

Product description

Cif Professional Kitchen Descaler quickly removes limescale from kitchen equipment and utensils while at the same time brightening dull metal surfaces, making them shiny. Ideal for use on bain maries, boilers, steamers, tea & coffee urns and in dishwashers as well as around taps and sinks. Safe in use due to non-corrosive formulation.

Features

- Non-corrosive formulation

Benefits

- Removes limescale
- Brightens dull metal surfaces

Pro Formula

Unilever and Diversey come together to give you Pro Formula, a complete range of ready to use professional cleaning products, paired with trusted Unilever brands. The range is specifically developed for your professional cleaning needs, and comes with free online cleaning & HACCP guides, helping you meet hygiene standards.

Cif Professional Kitchen Descaler

Application

Bain maries, boilers, steamers, tea & coffee urns and in dishwashers as well as around taps and sinks.

Directions of use

1. Use at a concentration of 100-300 ml Cif Professional Kitchen Descaler to 1 L of hot water (10-30%) dependent on the degree of scale. Soak item in solution until the scale is dissolved.
2. Scrub if required to remove heavy deposits. When scale is dissolved, rinse thoroughly with clean water and allow to air dry.
