Soft Care® Bulk

## One solution for all your hand care needs

### Soft Care Bulk brings you

- Assured quality and choice
- Economy and flexibility

### Assured quality and choice

Soft Care Bulk provides a choice of high quality personal care products. It consists of standard and premium hand washing creams and specialist antibacterial and disinfectant products. All the products are formulated to provide optimum performance whilst minimising any adverse effects on the skin.

### Economy and flexibility

The Soft Care Bulk range includes a stylish dispenser but can be dosed through any bulk system except aluminium. Packed in 2x5L containers, the range is aimed at high usage environments where performance and economy are paramount. Soft Care Bulk fill dispensers have an attractive and sturdy design allowing the dosing of a wide range of bulk solutions either from the Soft Care range of products or other bulk products.

- Dispensers are available in white or stainless steel
- 900ml reservoir for soap
