

Espresso machine cleaning tablets

Description

Coffee machine cleaning tablet for daily cleaning of a broad range of traditional and fully automatic espresso machines. Formulated for powerful cleaning and easy rinsing, this product can be used for cleaning of traditional espresso machines, fully automatic machines, and soaking coffee and espresso machine parts.

Recommended for use with Franke equipment.

Benefits

- Formulated for controlled solubility, powerful cleaning and easy rinsing
- Sized and designed for the delivery chambers of a broad range of fully automatic espresso machines and other coffee equipment.
- Every jar is fully recyclable

Use instructions

Fully automatic espresso machine:

1. Intended for daily use.
2. Insert one Suma Café AutoTab C1.2 cleaning tablet in machine opening and follow manufacturer's "Maintenance and Cleaning" instructions.

Traditional espresso machines / Back flush (each group head):

1. Insert blind filter and add 1 tablet per group. Replace portafilter in group.
2. Activate brew cycle for 10 seconds. Stop 10 seconds. Repeat 5 times.
3. Remove portafilter, rinse blind, reinsert. Repeat step (2) without Suma Café AutoTab C1.2 tablet to rinse.
4. Make and discard a shot of espresso to ensure no residue remains.

Traditional espresso machines / Portafilter soak:

1. Soak filters and metal of portafilter for 30 min in 2 tablets per liter of hot water.
2. Rinse with potable water.

Traditional Espresso Machine / Coffee brewers:

1. Empty coffee from equipment and add 4 Suma Café AutoTab C1.2 tablets per 2 liters of brewer capacity directly into brew basket.
2. Run a full brew cycle into vessel. Hold for 30 minutes.
3. Rinse with clean hot water.
