

# SURE Cleaner Disinfectant Spray

## Ready to use cleaner disinfectant

### Description

SURE Cleaner Disinfectant Spray is part of a unique range of plant based, readily biodegradable professional cleaning products for all daily cleaning needs. SURE Cleaner Disinfectant Spray is a ready to use detergent disinfectant for cleaning and disinfection of all surfaces in food premises.

### Key properties

- Suitable for cleaning and disinfecting of various water resistant surfaces in food premises
- Ready to use
- Effective in all water conditions
- No fragrance nor dye, natural odour present due to plant based ingredients
- Contains plant based actives from renewable sources
- 100% biodegradable and decomposed by natural processes
- No environmental hazard classifications, no safety warnings for user

### Benefits

- Very effective against a wide range of microorganisms, helps to improve hygiene security
- Bactericidal and yeasticidal activities
- Reduced environmental impact

### Use instructions

#### Spray cleaning and disinfectant:

1. Remove debris before applying product.
2. Spray surface with SURE cleaner disinfectant spray and clean with a cloth or brush.
3. Re-apply SURE cleaner disinfectant spray and allow 30 seconds contact time.
4. Wipe surface and rinse before allowing to air dry.

Please refer to your Food safety plan or HACCP assessment to identify areas where clean as you go is sufficient or where there is a requirement to disinfect.

# SURE Cleaner Disinfectant Spray
