

Auto Oven Heavy Duty

D9.12

Liquid heavy duty oven cleaner

Description

Suma Auto Oven Heavy Duty D9.12 is a highly concentrated oven cleaner, especially for ovens with an automatic cleaning option.

Key properties

Suma Auto Oven Heavy Duty D9.12 is a highly concentrated liquid oven cleaner. It has been specially formulated for use in very soiled ovens with an automatic cleaning program. The product contains an alkaline ingredient and surfactant for removal of fats and proteins.

Benefits

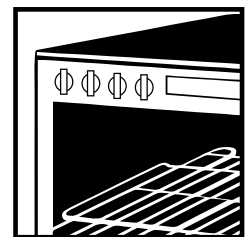

- Ensures very efficient removal of burnt-in fat
- Ensures very shiny surfaces after cleaning in combination with Suma Auto Oven Rinse D9.11

Use instructions

Suma Auto Oven Heavy Duty D9.12 is dosed automatically into the oven by means of integral dosing pumps.

Actual dosage levels are determined by the cleaning programs of the oven.

For detailed instructions on programs to be used consult the oven guidelines.
