

# TASKI® Jontec Terranova W

## Crystallized marble maintainer

### Description

Spray-crystallizer for the maintenance of calcareous stone floors. Used with a steel wool pad and a single disc machine the product provides a high gloss on marble and other calcareous stones without building a film on top. By crystallizing marble floors they get more wear resistant and the acid sensitivity is reduced. Can also be used to re-crystallize traffic areas of previously treated floors.

### Key properties

- Fluorosilicic acid-based formulation
- Produces a smooth, high gloss surface
- Especially formulated for efficient spray crystallization
- Hardens the surface through crystallization

### Benefits

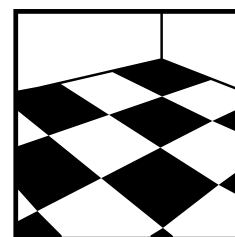

- Intensifies the natural appearance of the stone
- Facilitates daily cleaning and maintenance
- Provides a slip resistant, glossy finish
- Prolongs grinding intervals

### Use instructions

1. Treat only thoroughly clean (free of all soil, wax, polish, oil and grease) and completely dry floors.
2. Shake well before use.
3. Fill the product into a spray device and spray sparingly (2-3 triggers/m<sup>2</sup>) onto the floor. Treat not more than 2m<sup>2</sup> at the time.
4. Distribute in circular motions with a single disc machine equipped with a steel wool pad until the product is completely absorbed.
5. For more shine, recrystallize (2-3 triggers/m<sup>2</sup>) the area. Rinse the floor thoroughly with a pH-neutral cleaner to remove pad residue.
6. Buff with a single disc machine for even more shine.

### Dosage:

Ready to use, no dilution required.

## Technical data

Appearance: Milky, white liquid

pH value (neat):  $\approx 2$

pH value (in use):  $\approx 2$

Relative density (20°C): 1.10 g/cm<sup>3</sup>

*The above data is typical of normal production and should not be taken as a specification.*

## Safe handling and storage information

Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet; [sds.diversey.com](https://sds.diversey.com). Store in original closed containers away from extremes of temperature.

Only for professional users / specialists.

## Product compatibility

Apply only onto calcareous stone floors, e.g. marble, travertine, terrazzo. Properly store/dispose of steel wool pads after use danger of spontaneous combustion.

## Available pack sizes

TASKI Jontec Terranova W is available in 2x5L.
