APPLICATIONS

It fits all trolleys of the Filmop range.

Ideal for wringing mops and mop heads from 40 cm.

ECO BOX

ECO-FRIENDLY PRODUCT

Product made of separable materials and, consequently, recyclable at the end of its life
 Product sold in packaging compliant with Legislative Decree 116 of 03-09-2020 concerning the obligation of environmental labeling for correct disposal at the end of use. 99% of the cardboard packaging used by the company is made on average with 80% recycled paper

FEATURES

- Made of polypropylene, premium material: lightweight, shock-resistant, durable and resistant to low temperature
- Provides 20% more wringing than traditional wringers due to the intense, even pressure of the wringer plate on the mop
- Provides ideal wringing in one movement reducing efforts by 50%. The operator should simply push the handgrip to the end of the stroke, without being forced to exert any force
- Adjustable squeezing and bushings allow you to change the intensity of wringing depending on the type of mop and surface to be cleaned
- Equipped with handle holder for safe transport of the tool

MATERIAL

Polypropylene, polyamide and aluminum
