Machine Rinse

MACHINE RINSE AID

POWERED BY
ECOLAB

DESCRIPTION:

A universal machine dishwasher rinse aid that accelerates the drying process delivering sparkling and shiny tableware.

- An ecological Nordic SWAN certified product
- Suitable for all water conditions
- Economical to use with sparkling and clean results

USE INSTRUCTIONS:

For use in professional and semi-professional dishwashing machines. Always attempt to wash full machines whenever possible.

1. Always wear recommended PPE when handling the product
2. Remove cap from empty bottle and carefully remove the feed pipe NOTE: Never mix chemicals, if you are changing products, rinse the feed pipe with water first otherwise blockages may occur
3. Remove empty container and place new container in the basket
4. Remove cap and carefully reinsert the feed pipe back into the new bottle
5. Retighten the cap
6. Dispose of empty containers responsibly, always replace with the new cap

NORDIC SWAN:

The Nordic Swan is an independent multinational environmental labelling scheme introduced by the Nordic Council of Ministers which has a close cooperation with the EU Ecolabel system "Flower" and guarantees a certain environmental standard. The objective of SWAN is to provide information to consumers to enable them to make the best environmental product choice.

APPLICATION:

Mechanical rinse aid of glassware, crockery, cutlery, bowls and all food preparation utensils.

SAFETY & STORAGE:

- Do not mix with any other product.
- For further information and safety instructions, please see product label and Safety Data Sheet.
- Store between 0 °C and 40 °C in original closed container only.

PRODUCT CODE: 9104480 PACK SIZE: 2x5L
