

GLOSS EFFECT BLACK TYRE SPRAY

- Provides a glossy black effect.
- Restores the original colour.
- Protects window and door seals.

SUGGESTIONS

Follow the precautions for use on the can.

DESCRIPTION

An effective product for the shining and protection of tyres is essential in car dealerships and car washes (hand washing, in-bay systems, tunnel systems, self-services systems etc.).

ROTABRILL SPRAY is a specific polish created to renew and protect tyres and all rubber surfaces, leaving them as good as new and restoring the original colour.

Quick and easy to use, ROTABRILL SPRAY is easy to use for everyone thanks to its practical spray can. It also does not dirty or stain floors. Also ideal to lubricate and protect window and door seals.
