

RINSE-FREE HAND-WASH GEL WITH HYGIENIZING EFFECT WITH 71.5% V/V ETHYL ALCOHOL

- Guarantees safe hygienization against viruses and bacteria.
- Dermatologically tested.
- Dries quickly, leaving hands fresh and soft.

SUGGESTIONS

The practical 50ml format makes PRIMAGEL PLUS ideal during excursions, picnics, at entertainment venues such as amusement parks, zoos and playgrounds.

DESCRIPTION

PRIMAGEL PLUS is a transparent, dermatologically tested hand-wash gel with hygienizing effect.

Its effectiveness has long been confirmed by numerous certifications:

- Bactericidal action EN 13727:2012 + A2:2015 test in suspension 30 sec.
- Fungicide action EN 13624:2013 test in suspension 60 sec
- Tuberculocidal EN 14348:2005 test in suspension 30 sec
- Virucidal EN 14476:2013 + A1:2015 test in suspension 120 sec
- Hygienic Handrub Approval EN 1500:2013 dosage 2 applications of 3ml for 30 sec. each.
- Surgical Hand Disinfection EN 12791:2016 + A1:2017 dosage 2 applications of 3ml for 90sec, that makes Primagel Plus proper to be used in operating rooms as per OMS guidelines.

Declared as «non-irritating to the skin», after performing «Open Patch Test» skin irritation test accomplished by certified labs.

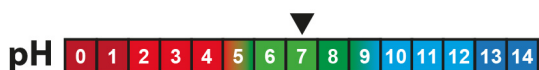

Stability tests ensure that, after 36 months, no appreciable changes are detected in the product's standard physical and chemical properties.
