

DETERGENT FOR GLASS WITH ACTIVE FOAM

- Quickly cleans glass, crystal, lacquered surfaces and steel.
- Does not leave streaks.
- Releases a delicate scent.

SUGGESTIONS

Vetrobél Plus is particularly suitable for the cleaning of polished steel surfaces, where it guarantees extraordinary shine.

DESCRIPTION

Certain surfaces, such as glass and crystal, are often very difficult to clean. The elimination of marks, fingerprints and streaks can take considerable time and effort, and the results are not always optimal. Vetrobél Plus is a detergent with active foam, specifically formulated to clean glass, crystal, lacquered, formica, steel and other surfaces. Its immediately-acting active foam allows the product to adhere to the surface to be treated, guaranteeing effective cleaning to remove dust, fingerprints and all types of dirt without leaving streaks.

One single application of Vetrobél Plus leaves surfaces perfectly clean, optimising costs and saving time.

DETERGENT FOR GLASS WITH ACTIVE FOAM
